

# FS-4K88N-PLS-NVR 4K/8MP IP POE Camera Kit HD Multichannel CCTV Surveillance System

Easy installation

Motion Detection

Remote Monitoring

Full Color Night Vision

Email Alert

## Features:

- ◇ Ultra HD 4K 8MP Resolution Camera and NVR
- ◇ IP POE (Power over Ethernet) camera system
- ◇ Easy DIY installation, plug & play single cable
- ◇ Sensor 1/2.7" CMOS, Fixed 3.6mm Lens
- ◇ Smart Night Vision: IR Cut, Auto or Full Colour
- ◇ 4x Warm White LED's and 4x IR LED's
- ◇ Humanoid and Motion detection
- ◇ Microphone for audio recording
- ◇ IP66 Weatherproof for Indoor and Outdoor use
- ◇ HDMI/VGA outputs to connect with TV/Monitor
- ◇ Remote viewing, playback via free P6SLite APP
- ◇ EasyVMS desktop application for Windows
- ◇ APP push notifications and NVR email alerts
- ◇ NVR playback, search, 16x FF/FB, slow down
- ◇ 1TB HDD included and pre-installed
- ◇ Backup video to USB or network

## Specification:

### IP POE Camera (FS-4K88N-PLS, 4 cameras included in kit)

Image Sensor	1/2.7" Progressive Scan CMOS
Effective Pixels	8MP
Day/Night	Auto (ICR)
IR Range	Up to 30 m
Light source	4x Warm White and 4x IR LED's
Day / Night	Smart Night Vision (Auto), Full Colour and Infrared
Focal Length	Fixed: 3.6 mm
F Number	F1.6
White Balance	Auto
Noise Reduction	2D/3D DNR
Region of Interest	Support
Motion Detection	Support
Privacy Masking	Support
Audio Encoding	G711A (built-in microphone)
Ethernet	1 Ethernet (10/100 Base-T) RJ-45 Connector
Reset	Support
Power Supply	DC12V/POE (IEEE 802.3af), Max 4W
Working Environment	-20°C ~ 50°C (-4°F ~ 122°F), Less than 90% RH
Ingress Protection	IP66
Certifications	CE/FCC

### 8CH NVR (FS-N9908POE)

IP Camera Input	8 Channel
HD Output	8MP, 5MP, 4MP, 3MP, 1920×1080, 1440×900, 1280×1024
VGA Output	1920×1080, 1440×900, 1280×1024
Decoding Capacity	8CH 8MP / H.265 compression
Recording Resolution	8MP, 5MP, 4MP, 3MP, 1080P, 720P, D1 etc.
Recording Mode	Manual, Schedule (Regular, Continuous), Event
Trigger Events	Motion Detection, Manual, Sensor, Exception
Alarm	E-mail alerts and Siren (on TV/monitor and audio output)
Sync Playback	8/1, up to 4CH simultaneous
Search Mode	Time/Date, Alarm, Picture grid, Event, Digital Zoom
Backup Mode	USB Device, Network
Interface	1 RJ-45 port (100/1000Mbps)
POE	8 Ports (IEEE 802.3af), 32W
HDD	1 SATA Port max. 8TB, (1TB HDD pre-installed)
Audio I/O	1/1, output for external speaker
USB	2 ports (USB 2.0 × 2)
Power Supply	DC48V/1.25A, Power Consumption: <5 W (without HDD)
Certifications	CE/FCC

### Standard Supply:

FS-N9908POE 8CH POE NVR, 4 x FS-4K88N-PLS 4K/8MP IP POE cameras, 1TB HDD pre-installed, mouse, NVR power supply and 1m LAN cable (to router)

### Options:

**FS-4K88N-PLS** 4K/8MP IP POE camera (max. of 4 additional can be added)

**CAT6 network cable** to connect camera to NVR (20m and 30m available)

**16 Channel NVR kits** available on special order

*HDMI cable, junction boxes, mounting poles or any additional hardware that may be required for site specific installations is not included, these are generally freely available from most hardware or industrial supply stores or some online retailers  
Longer network cables can be quoted up to maximum of 150m on special order*

## IP66 WATERPROOF DESIGN

Can handle rain and snow with ease  
Waterproof and dustproof, indoor and outdoor use  
Not afraid of the sun and the wind
